aristotle nicomachean ethics books ii iv translated with an introduction and commentary

contains essays on poetry and english rule of ireland

this book presents a historical account of the development of an acrolectal variety of the english language in colonial india it
highlights the phenomenon of indianization of the english language and its significance in the articulation of the indian identity in
pre independence india this volume also discusses the sociocultural milieu in which english became the first choice for writers and
political leaders using examples primarily from the writings of rammohan roy bankimchandra krupabai sathianadhan and gandhi
and from the speeches of vivekananda tagore and subhas bose this book argues that prose written in english in the nineteenth and the
early twentieth century scripted a nationalist discourse through its appropriation of the colonizer s language it also examines how
these works which absorbed elements of indian culture and languages paved the path for the emergence of indian english as a
distinct dialect of the english language this book will be useful for teachers scholars and students of english literature linguistics and
cultural studies it will also be of use to general readers interested in the history of the english language and the history of modern
india
